PERSONAL SERVICE RECORD

Your goal is to achieve three (3) hours of volunteer service OR MORE per month. You may record any type of service that you do (for which you do not get paid) for others outside your immediate family. Volunteer your services to your neighbors, family friends, grandparents and relatives. You can also do service for local organizations such as places of worship, Boy Scouts, Girl Scouts, or local food banks. Some examples of service may include babysitting, yard work, housework, errands, pet care, volunteering at a local business, etc. If you have a question, please check with Mr. Clary.

Please record your service hours in the chart below.
